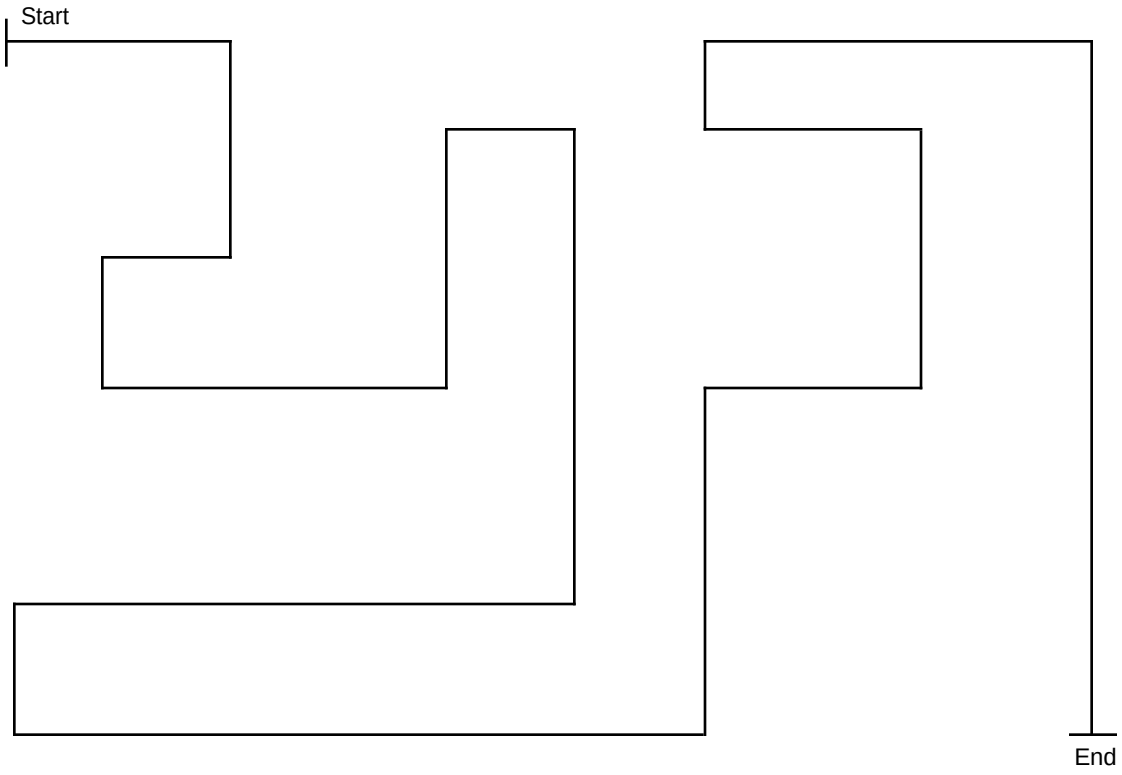
MAGNET MAZE

Name _____ Age _____ Date _____

MATERIALS: Slate (hand-held chalkboard), chalk, eraser, two small magnets

METHOD: Mazes, shapes, and letter designs can be drawn on the slate. One magnet is placed at the start position. The child holds the slate in non-preferred hand, and the other magnet in preferred hand underneath, moving it so the top magnet follows the maze, shape, or letter.

ACTIVITIES Date Completed _____


1. Simple line design
